

CONSUMABLES PLUS

Intro

At Waterlogic we offer a variety of products and services dedicated to ensuring the needs of your business when it comes to drinking water solutions.

We listened to your feedback and our consumables range has evolved to include sustainable options such as biodegradable cups and reusable bottles. Our Consumables Plus offers you not just products to compliment your water dispenser but products that compliment your beverage.

Save time by consolidating your consumables needs into one supplier, one invoice and one point of contact with our Consumables Plus solution.

Cold Drinks

These great tasting, sugar free fruit squash and infusions are an ideal compliment to our water range, a variety of flavours make them a great addition to both still and sparkling water.
